

Would like to invite you
to celebrate Christmas
with us on the 19th of
December from 5pm....

There will be lots of fun & laughs with a play centre for the little kids and some slip'n'slide splendour for the older kids! Santa will be paying a visit and bringing some lolly bags... Athletes attend for free, and for a super-saver price of \$3, their siblings are all welcome. The entry price for siblings includes a drink, sausage sandwich, iceblock and bag of lollies. Parents are welcome to order from our bbq on the night and take advantage of canteen facilities. You can also feel free to bring along some nibbles, perhaps even a picnic rug or chair?

Remember to bring a towel and swimmers for the kids!

If you'd like to join us for the festivities, please fill out the attendance sheet at the canteen/bbq area. All siblings attending need to be paid for by next Monday the 12th December. Anyone not RSV^d or paid by that date will be considered unable to attend, and not catered for on the night. If we happen to get rained out then the kids can all look forward to lollies, iceblocks, drinks and a sausage sandwich on our first week back in 2012!!!!
